Hands, don't be touching hands
Please don't be reaching out
Don't be touching me
And I wont touch you
HAND WASHING TIME!

To the tune of *Bohemian Rhapsody*:

So you think you can just use your pant legs to dry?
There are germs on those pant legs so don't even try
Ooooh baby
Maybe air dry it baby
Or there's a clean tow...
Or there's a clean towel right hereeee

To the tune of *Love Bites*:

When you make suds,
Do you look in the mirror?
What do you think of?
Is it the CDC?
I don't wanna touch you too much baby
But if I do I'll wash my hands like crazy
Scrub nice
Scrub deep
Do it repeatedly

To the tune of *Work It*:

Get the soap into a foam for ya
Don't forget to clean in between the fingas
Scrub so hard you like blah blah blah
Scrub it, and wash it off with wa-ta
Is it worth it....de-germ it
Rub your hands down, flip it and reverse it
